

MidCan can provide transportation for your crew and gear at very reasonable prices. All vehicles are clean and come with a full tank of gas. You are responsible for returning it in the same condition. All vehicles rent for **\$95 per day**, with no discounts for multiple days. You are allowed 150 “free” Kilometers. Mileage over that limit costs **\$0.40 per Kilometer**.

For insurance purposes, you must have a Class IV license to drive the 15 passenger vans. However, removal of the backseat opens up cargo room and creates a 12 passenger vehicle, which moves the van into a different vehicle class, making it legal for operators with regular licenses.

### PONTIAC MONTANA MINIVAN

Great for small EFP shoots: Client, cameraperson and audio person. It has Air Conditioning and Cruise Control, and the rear bench seat folds flat for convenient gear space.

### FORD 15 PASSENGER VAN

Air, Cruise, Power Locks & Windows. 15 passenger vans are next to impossible to find now at traditional vehicle rental chains.

### FORD 15 PASSENGER VAN

Air Conditioning & Cruise Control. Take some or all of the seats out for those larger shoots where you need a combination of crew space and lots of gear.

### FORD CUBE VAN

The big dog! This is a diesel unit that comes with a loading ramp and semi-permanent shelves to restrict gear movement. There is a pass through between the box and cab, and it comes with ratchet straps to secure the load.

## VEHICLE RENTALS

MIDCAN

For those larger jobs, MidCan has a fully outfitted lighting truck. There is room to add whatever lights are necessary, but some of its permanent gear includes:

- Four 1200 watt HMI PAR's and lenses
- A KinoFlo Wall-O-Light with ten 4-foot long fluorescent tubes
- 2 KinoFlo 400 watt Diva lights
- A Litepanels 1x1 LED daylight fixture
- A selection of tungsten fresnel fixtures
- Our CamRail system
- Century Stands, 1K stands & 2K combi stands
- A flag kit, foamcore panels, large gel frames
- 15 sandbags, Mafer clamps, pipes, wedges and gripology

*The Lighting Truck can be had fully outfitted for \$2000/day. Please contact us for a MidCan approved Operator/Driver and to discuss À La Carte deals. The rest of our lighting gear starts on page 27.*
